Itinerary

What better way to celebrate spring than in our neighboring Commonwealth to the north, where we find out all there is to LOVE about LOUISVILLE!! Go with Pineapple Gold to Kentucky April 11-13 for an entertainment-packed two days of touring.

We depart our usual locations and head north, arriving in time for lunch on our own before we collect a local step-on guide to take us on a driving tour of the city. We'll experience everything from Old Louisville - a charming historic district of elegant and vintage homes to Nu-Lu, a revived district featuring all that's new, hip and happening in this bustling city and then some.

We check into the Embassy Suites downtown conveniently located adjacent to Fourth Street Live, the city's entertainment district. Following the manager's evening reception, we make our way to the new Evan Williams Bourbon Heritage Center, where we are treated to historic touring, plenty of sampling and a fun and fabulous dinner in the building's hidden 'Speakeasy.' Musical entertainment caps off our evening!

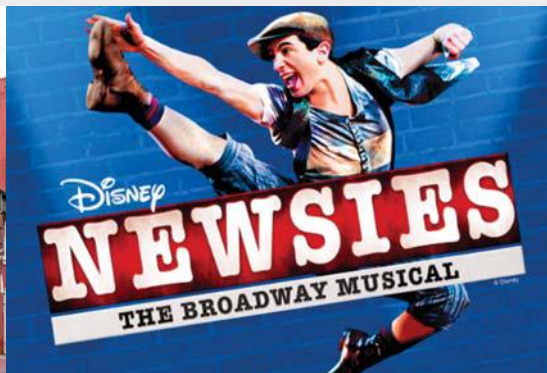

Since we've "seen," Friday will be our day to "do", starting with a morning tour of Louisville Stoneware, featuring an opportunity to make our own iconic piece of this famed dinnerware. See how creative you can be with paint. The projects will be fired and shipped to the bank where you'll have an opportunity to come by and pick up your masterpiece after we get home. Next, we move back downtown to tour the Louisville Slugger Bat Factory and are treated to our own miniature copy of the legendary ball bat to bring home. Lunch is on

our own along Fourth Street Live and after, we're off to Churchill Downs for a walking tour, an up-close look at the track, a tour of the Kentucky Derby Museum and finally, an opportunity to experience a bit of "Hatitude," when we make our own Derby hat to bring home. This is an activity for both the guys and the gals! From fedoras to floppy brims, you'll have the opportunity to decorate to your heart's content with provided bedazzlement. There's no such thing as too elaborate or outlandish!

This evening we're in for a real treat as we make our way to the Derby Dinner Playhouse. We'll enjoy a smash-hit Broadway musical filled with one heart-pounding, high-energy dance number after another! Adapted from the Disney film, this rousing tale is inspired by the true story of the 1899 Newsboys Strike, Newsies is an ebullient, joyful, and entertaining musical capturing the strength that young people have when they join together and stand up against injustice.

On Saturday morning we rise and shine to another included cooked-to-order breakfast before checking out of the hotel and crossing the Ohio River into Jeffersonville to visit the place the red hot was invented: Schimpff's Confectionary. Family owned for well over 100 years, this candy store is like taking a step back in time! From it's antique candy molds to demonstrations of hand-dipped chocolates in its storefront, you'll find a million ways to indulge your sweet-tooth! Go easy though, because on our way home, we make a quick stop at Jim Beam's American Stillhouse for a tour of "how it's made," before making our way on to Glendale, KY for an included lunch at The Whistle Stop Café ~ an off-the-beaten-path gem you're sure to love!
